Packing and Shipping:

Packaging and Shipping for Quartz Battery Wristwatches

Packaging

Quartz battery wristwatches are typically packaged in small cardboard boxes with foam inserts to ensure safe delivery. The boxes are designed to protect the watches from damage during shipping, and to keep them clean and dust-free. Additionally, they often include product information, instructions, and warranty information.

Shipping

Quartz battery wristwatches are shipped via ground, air, or freight depending on the needs of the customer. They are typically shipped in bulk with other products, but can also be shipped individually. All watches are sent with tracking information for customers to monitor their orders.
