Product Description

Strap of 20mm Band Width Nylon Wrist Watch with Black Band and Buckle Clasp

Product Description:

This is the perfect wristwatch for those who want to stay stylish and up-to-date with the latest fashion trends – the Nylon Wrist Watch. With its unisex design and sleek, modern look, it is perfect for both men and women. The case diameter is 38mm, making it comfortable to wear and suitable for any wrist size. The strap is made of nylon, giving it a unique and stylish look. The strap also has a secure buckle closure for added safety. As for the dial display, it is analog, with hour, minute and second hands. The water resistance depth is 3ATM, which means it is splash-resistant and suitable for everyday wear. With its unique combination of nylon and sleek design, this wristwatch is sure to draw some admiration and keep you looking fashionable.
